Privileged Attorney/Client Communication - Do Not Release Under FOIA

Sherrie –

Also, can you track down a model CCCA (combined complaint and consent agreement) for this type of violation so once you get a penalty number agreed upon with them, we can get this drafted and routed for concurrence in short order. They are usually pretty standard documents and just need to plug in the exact statutory/regulatory sections violated.

Thanks,
Marc

Yes...that is correct. They just want an update on the settlement. I did not discuss the settlement with them except to say that I will be calling Johnson's Aero Ag to discuss. So shouldn't be more involved. And I am clear to call Johnson's Aero Ag...

So, are we (you) clear to call Johnson's Aero Ag to discuss settlement now? I assume that Irv wants an update in March on settlement progress. Is that correct or do they want to be more involved than that? Did you discuss settlement terms with the tribe?

Thanks,

Marc

p.s. I just got assigned you Presto-X case
